

Amerant Announces New Outsourcing Relationship with FIS

November 4, 2021

Will result in significant cost savings and improved operational efficiencies

CORAL GABLES, Fla., Nov. 04, 2021 (GLOBE NEWSWIRE) -- Amerant Bancorp Inc. (NASDAQ: AMTB and AMTBB) ("Amerant") today announced that Amerant Bank, N.A., its principal operating subsidiary and one of the largest community banks headquartered in Florida (the "Bank"), has entered into a new multi-year outsourcing agreement with financial technology leader FIS® (NYSE: FIS), the world's largest provider of banking and payments technology, to assume full responsibility over a significant number of the Bank's support functions and staff, including certain back-office operations. Under this new outsourcing relationship, the Bank expects to realize estimated annual savings of approximately \$12 million, while achieving greater operational efficiencies and delivering advanced solutions and services to its customers.

By partnering with FIS over the span of this multi-year agreement, Amerant leverages FIS's expertise to create powerful service capabilities for its customers and reduce Amerant's operating expenses by outsourcing 90 positions to FIS.

"FIS brings best-in-class integrated banking services as well as next generation digital banking solutions, making us a destination for innovators like Amerant Bank," stated Bruce Lowthers, President, FIS. "We are excited to partner with a financial institution dedicated to community banking and providing a superior digital experience to their customers through our services and solutions."

"We are excited to begin this relationship with FIS and for the positive impact it will have on our operations by improving efficiencies significantly. We are very optimistic about this new phase of our business transformation journey," said **Jerry Plush, Vice-chairman and CEO, Amerant**. "We believe this partnership will enable us to achieve our operating efficiency targets more quickly and continue profitably growing our company."
