Forward-Looking Statements

This presentation contains "forward-looking statements" including statements with respect to the Company's objectives, expectations and intentions and other statements that are not historical facts. Examples of forward-looking statements include but are not limited to: our future operating or financial performance, including revenues, expenses, expense savings, income or loss and earnings or loss per share, and other financial items; statements regarding expectations, plans or objectives for future operations, products or services, and our expectations on loan recoveries, or reaching positive resolutions on problem loans, or significantly reducing special mention and/or non-performing loans. All statements other than statements of historical fact are statements that could be forward-looking statements. You can identify these forward-looking statements through our use of words such as "may," "will," "anticipate," "assume," "should," "indicate," "would," "believe," "contemplate," "expect," "estimate," "continue," "plan," "point to," "project," "could," "intend," "target," "goals," "outlook," "modeled," "dedicated," "create," and other similar words and expressions of the future.

Forward-looking statements, including those relating to our beliefs, plans, objectives, goals, expectations, anticipations, estimates and intentions, involve known and unknown risks, uncertainties and other factors, which may be beyond our control, and which may cause the Company's actual results, performance, achievements, or financial condition to be materially different from future results, performance, achievements, or financial condition expressed or implied by such forward-looking statements. You should not rely on any forward-looking statements as predictions of future events. You should not expect us to update any forward-looking statements, except as required by law. All written or oral forward-looking statements attributable to us are expressly qualified in their entirety by this cautionary notice, together with those risks and uncertainties described in "Risk factors" in our annual report on Form 10-K for the fiscal year ended December 31, 2025 filed on February 27, 2026, in our quarterly report on Form 10-Q for the quarter ended March 31, 2026, filed on May 1, 2026, and in our other filings with the U.S. Securities and Exchange Commission (the "SEC"), which are available at the SEC's website www.sec.gov.

Interim Financial Information

Unaudited financial information as of and for interim periods, including the three and nine month periods ended September 30, 2026 and 2025, and the three month periods ended June 30, 2026, March 31, 2026, and December 31, 2025, may not reflect our results of operations for our fiscal year ending, or financial condition as of December 31, 2026, or any other period of time or date.

Non-GAAP Financial Measures

The Company supplements its financial results that are determined in accordance with accounting principles generally accepted in the United States of America ("GAAP") with non-GAAP financial measures, such as "pre-tax pre-provision net revenue (PPNR)", "tangible common equity ratio", and "tangible stockholders' equity (book value) per common share". This supplemental information is not required by, or is not presented in accordance with GAAP. The Company refers to these financial measures and ratios as "non-GAAP financial measures".

We use certain non-GAAP financial measures, including those mentioned above, both to explain our results to shareholders and the investment community and in the internal evaluation and management of our business. Management believes that these supplementary non-GAAP financial measures and the information they provide are useful to investors since these measures permit investors to view our performance using the same tools that our management uses to evaluate our past performance and prospects for future performance. While we believe that these non-GAAP financial measures are useful in evaluating our performance, this information should be considered as supplemental and not as a substitute for or superior to the related financial information prepared in accordance with GAAP. Additionally, these non-GAAP financial measures may differ from similar measures presented by other companies. Appendix 1 reconciles these non-GAAP financial measures to GAAP reported results.

Beginning in the first quarter of 2026, the Company reviewed and updated its use of non-GAAP financial measures and now presents a limited set of metrics that management uses to evaluate performance and make operating decisions. As part of this update, the Company discontinued the presentation of "Core PPNR", "core noninterest income", "core noninterest expense", "core net income", "core earnings per share (basic and diluted)", "core return on assets (Core ROA)", "core return on equity (Core ROE)", and "core efficiency ratio" as management determined these measures are no longer primary metrics used internally. This change does not reflect any change in the Company's underlying business, operations, or GAAP financial results.

Prior to her appointment as CFO, she served as Amerant's Head of Internal Audit.

Lee Ann Cragg
SEVP, Chief Credit Officer

Lee Ann Cragg serves as SEVP, Chief Credit Officer. In this role, she oversees Credit Services, Credit Risk, and Special Assets, ensuring strong credit quality, regulatory excellence, and disciplined risk management across all portfolios. She brings more than 15 years of commercial banking and credit risk experience and has been a strategic leader within Amerant's Commercial and Industrial (C&I) Credit department since joining the organization.

Tony Eelman
EVP, Chief Product Officer

Tony Eelman serves as EVP, Chief Product Officer where he leads enterprise product strategy and development across the bank's lending and financial services platforms. He is responsible for aligning product design, technology enablement, and go-to-market execution to deliver client-focused solutions that support sustainable growth. Prior to his appointment as CPO, he served as President of Amerant Bank's subsidiary, Amerant Mortgage.

Mike Nursey
SEVP, Chief Domestic Banking Officer

Mike Nursey serves as SEVP, Chief Domestic Banking Officer. In this role, he leads Commercial Banking, Corporate Banking, and Commercial Real Estate, while also assuming leadership of Retail, Private, and Business Banking. Mike joined Amerant in June 2024 as Central FL Market President, leading the bank's expansion efforts in the Tampa market. Prior to joining Amerant, he held executive positions at TD Bank and Regions Bank.

Experienced Leadership Team

Pedro Parra
SEVP, Chief International Banking Officer

Pedro Parra serves as SEVP, Chief International Banking Officer. In this role, he leads Amerant's international banking platform, overseeing Private, Retail, Corporate and Commercial Banking, and Client Services. He is responsible for Amerant's strategic focus on strengthening and expanding its international client relationships. He was most recently SEVP, Head of International Banking and has held multiple leadership roles since joining Amerant in 2000.

Adrian Rodriguez
EVP, Chief Operating Officer

Adrian Rodriguez was appointed EVP, Chief Operating Officer in May 2026 after having served as Interim COO since November 2025. In his role, he oversees the bank's core operating functions, including loan and credit operations, deposit and payment operations, IT, facilities management, project management, procurement and digital innovation. Most recently, he served as Head of Loan Operations, where he played a key role in strengthening operational controls and supporting the bank's efficiency and growth initiatives.

Yecimar Tirado
EVP, Chief Risk Officer

Yecimar Tirado serves as Head of Internal Audit. She joined Amerant in 2023 and has been instrumental in the development of the Company's internal audit function by strengthening its governance and control environment. She brings extensive experience in internal audit, enterprise risk management, governance, and regulatory oversight. Prior to joining Amerant, she served as Head of Internal Audit at Oportun, and held leadership roles at Ocean Bank and Capital Bank.

Mariola Sanchez
SEVP, Chief Administrative Officer

Mariola Triana Sanchez was appointed Chief Administrative Officer in April 2025 after having served as Chief People Officer (CPO) since June 2022. She serves as Amerant's General Counsel and oversees human resources, legal, corporate communications, community relations, and sustainability.

In this role, she spearheads Amerant's relationship with the investment community and rating agencies, as well as the Company's strategic planning and execution process. She served as Project Manager for the Company's spin-off and IPO in 2018, and has held various roles since joining Amerant in 2005.

Company Updates

Strategic Initiatives

With a stronger foundation now in place, our focus is shifting toward enhancing franchise value and delivering sustainable returns for our shareholders.

1. Transform Credit

- Asset quality reflects continued portfolio de-risking, with sustained improvement toward target levels
- Advancing workflow enhancements and automating the credit approval process to improve data integrity, accountability, and consistency

2. Operational Efficiency

- Continued disciplined expense management efforts while enhancing our earnings generation power to significantly improve operational efficiency

3. Client Profitability

- Evaluated and prioritized relationship return by segmenting our portfolio based on profitability to allocate resources where they yield the most value

4. Grow the Bank

- Accelerated domestic loan growth while sustaining the momentum of our international franchise across both deposits and AUMs

Improved Credit Evaluation Processes

Strengthened Portfolio Oversight: Established dedicated Portfolio Management team to enhance monitoring, reporting and escalation; investing in additional training for underwriting and relationship teams to improve accuracy and consistency of risk ratings

Enhanced Risk-rating Process: Embedded new checkpoints throughout our monitoring process. We have also increased the cadence of multiple loan monitoring meetings with proactive strategy discussions

Expanded Review Coverage & Rigor: Redesigned annual reviews for deeper and earlier issue identification; lowered review threshold from $5 million to $3 million in credit exposure and subsequently lowered to $1 million for the upcoming credit review cycle; introduced consistent quarterly "Top 20" reviews across CRE, C&I, and Consumer loans to monitor the largest relationships, and targeted analysis for higher risk categories

Aligned Incentives: Incorporated portfolio management metrics into banker compensation beginning in 2026

Outlook

Balance Sheet

- Total loans projected to reach approximately $7.3 billion by 4Q26
- Total deposits projected to reach approximately $8.5 billion by 4Q26, primarily driven by low-cost international deposit growth

Income Statement

- Net Interest Margin ("NIM") projected to be in the range of 3.65% to 3.70% in 4Q26
- Noninterest expense projected to be approximately $68 million in 4Q26, as we continue to make progress toward a target efficiency ratio of approximately 60%

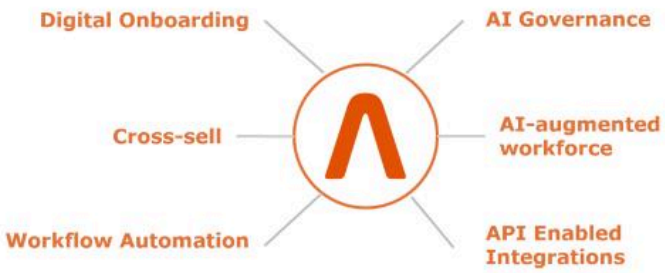

Capital Management

- Will continue to optimize capital management, balancing between retaining capital for growth, and buybacks and dividends to enhance shareholder returns

Digital Innovation

Building on our FIS technology foundation, we are executing a secure, digital strategy that enables Amerant's Relationship-First model, drives operational efficiency, and supports scalable, profitable growth.

- **Deepen client relationships & revenue growth** - Leverage improved data quality, integrations, and advanced CRM capabilities to enhance cross-sell opportunities
- **Modernize onboarding & client experience** - Scale digital onboarding and self-service capabilities to deliver faster, more seamless experiences across all segments
- **Retail digital lending** - Developing digital loan and credit card application/onboarding capabilities
- **Drive efficiency through automation** - Standardize workflows across platforms to reduce manual processes, improve consistency, and increase productivity across front, middle and back office
- **Monetize the technology ecosystem** - Continue leveraging the FIS-enabled architecture and integrated platforms to create scalable capabilities and unlock value from prior investments

Digital innovation and AI are not standalone initiatives - they are core enablers of Amerant's strategy, supporting revenue growth, efficiency gains, and a differentiated client experience while maintaining strong governance and regulatory alignment

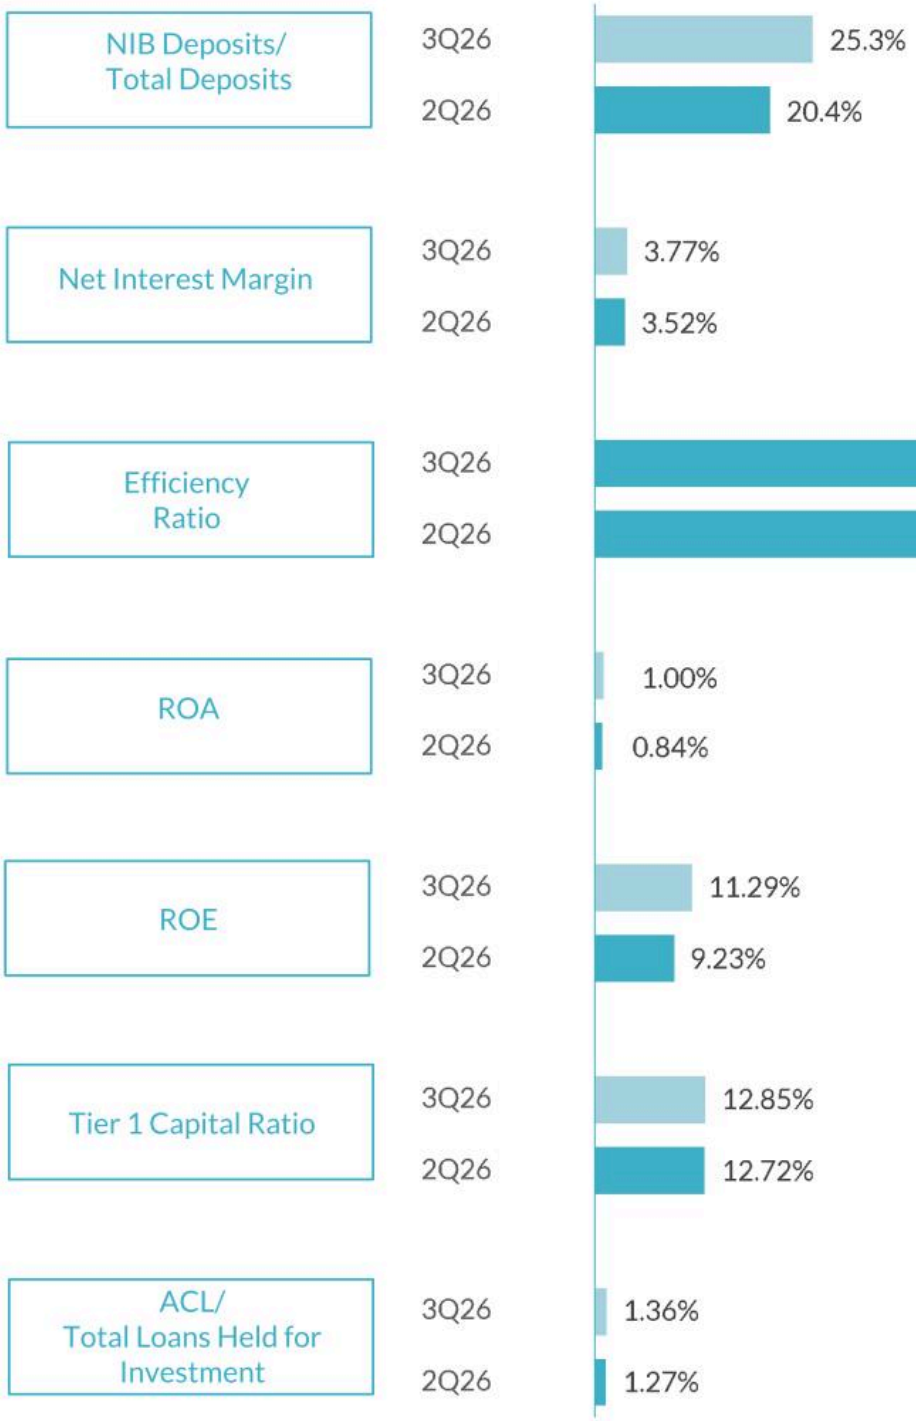

Amerant is leveraging its modernized technology and data foundation to scale digital capabilities and embed AI responsibly across the enterprise - enhancing decision-making, improving efficiency, and reinforcing our ability to grow securely within a regulated environment.

- **Augment** - Focus AI on increasing employee capacity and productivity, enabling growth without proportional increases in headcount
- **Value-driven, disciplined execution** - Prioritize use cases based on business value, feasibility, and risk - focusing on quick wins while building long-term capabilities
- **Build on existing risk management programs** - AI will operate within established frameworks including Model Risk, Information Security, Data Governance, Vendor Risk and Compliance

- In the first quarter of 2026, the Company early adopted ASU 2025-08, which expands the use of the gross-up approach for certain purchased loans and eliminates Day 1 credit loss expense. As a result, in the third, second and first quarters of 2026, the Company recorded an allowance for credit losses of $2.5 million, $1.9 million and $0.5 million, respectively, on approximately $190.6 million, $149.5 million and $36.8 million of acquired loans, respectively, with no day 1 impact to earnings.
- Loans Held for Investment: excludes loans held for sale carried at fair value and loans held for sale carried at the lower of cost or fair value
- Net Charge-Offs -charge-offs net of recoveries
- Net Charge Offs/Average Total Loans Held for Investment:
  - Annualized and calculated based upon the average daily balance of outstanding loan principal balance net of unamortized deferred loan fees and costs, excluding the allowance for credit losses
  - Total loans exclude loans held for sale
- Non-performing assets include accruing loans past due by 90 days or more, all nonaccrual loans, other real estate owned ("OREO") properties acquired through or in lieu of foreclosure and other repossessed assets.
- Non-performing loans include accruing loans past due by 90 days or more and all nonaccrual loans.
- Quarterly beta (as shown in NII & NIM Slide): calculated based upon the change of the cost of deposit over the change of Federal funds rate (if any) during the quarter.
- ROA: calculated based upon the average daily balance of total assets
- ROE: calculated based upon the average daily balance of stockholders' equity
- Total gross loans: consists of the principal balance of outstanding loans, including loans held for investment, loans held for sale at the lower of cost or fair value, and mortgage loans held for sale, net of unamortized deferred loan origination fees and loan origination costs, unamortized premiums paid on purchased loans and the unamortized balance of initial allowance for credit losses on purchased seasoned loans.
- Totals may not sum due to rounding of line items.
